The Expertise behind 'our High-performance professional treatments

At the heart of ORIKI'S expertise are plants and natural ingredients, which offer their beauty secrets and precious extracts. We select the most effective active ingredients to give women and men the very best from nature and science. Every ORIKI formula is the result of innovation coupled with nature's best ingredients and Africa's beauty secrets.

The expert hands of ORIKI'S professional spa therapists hold the supreme power of touch to tone, relax, firm, contour and rejuvenate your skin. It is through a constant dialogue with women and men and research, ORIKI has gained its unique experience enabling them to continually improve product formulas.

Awakening, harmony, balance

To optimize treatment benefits, ORIKI has created a special atmosphere to awaken the senses: an environment designed for relaxation with subtle aromatherapy fragrances, soothing music, wonderfully smooth, comforting product textures and a relaxing tea after the treatment.

The ORIKI spa therapist gently awakens the five senses for perfect harmony and balance of the body and mind for a deep and total feeling of well-being. Discover the unique excellence of ORIKI's treatments and massages in the curated atmosphere of our locations.
